

# PEER TO PEER INTERNET SAFETY EDUCATION

**Focus:** oracy & presentation skills

**Develops:** co-operative & collaborative learning, critical thinking skills, growth mind-set

**Increases:** self-confidence & self-esteem, social skills, leadership skills

*" We put Appyness Online on the booklist to highlight to parents the importance of Cyber Safety. I watched the 6th class present and they are like student teachers, I was very impressed "*

**Siobhán Kirwan-Keane, Principal, Scoil Bhríde (Cailíní), Dublin.**
